

THE COMMONWEALTH OF MASSACHUSETTS
HIGHWAY DEPARTMENT

ENGINEERING DIRECTIVE

FROM:

Chief Engineer

Effective July 1, 1992, the responsibilities of the Hazardous Materials Unit and the Wetlands Unit of Highway Engineering will be transferred to the Project Development Division. All assigned activities within these areas will be performed by the Environmental Section of Project Development. The Division contacts will be Frank Bracaglia at 973-7484 and Patricia Trombly at 973-7309. Please direct all relevant correspondence to Project Development Division, Environmental Section Supervisor, Room 4260, 10 Park Plaza, Boston, MA 02116.
